

\int Integration
Bee

Solve Integrals for Fame

*Not final poster, for presentation purposes only

You Should Know That

1. you are only required to know concepts from 11th and 12th standard integration only (specifically from NCERT)
2. the variable in our questions will always be 'x'
3. in case of a lot of participants, a written test will be conducted

You Should Know That

4. tournament will be in 'round robin' mode (everyone battles with everyone). the top 4 compete for the first, second, and third place
5. the first round of each participant will consist of 2 warm-up questions
6. each round will have 3 questions.

You Should Know That

7. in case of a tie, another round will be done.

8. expressions with different forms will be accepted (in case of a dispute, the referee may check the expression in computer)

9. judges word will be final.

Rules

1. integral of $1/x$ is $\log |x|$
2. you may scribble anything on the board, only the underlined expression will be considered for evaluation
3. $+c$ is not required in the solution
