

**School of Mathematics and Statistics
University of Hyderabad**

**Conferences/Workshops Organized by the School
during 2015-2020**

- An International Conference on Analytic and Algebraic Geometry during 23-27 March, 2015 in association with TIFR, Mumbai.
- NCM-ATM Workshop on “Grothendieck-Riemann-Roch Theorem” during December 7-18, 2015.
- The Annual Conference of Indian Women in Mathematics (IWM) during 29 June – 1 July, 2016 supported by NBHM/ICWM, IMU.
- Annual Foundation School, during 5-31 December 2016.
- 1-day workshop on Algebraic Number Theory on 18th September, 2017, supported by UGC-SAP-DSA-I.
- A workshop on Current issues and applications of statistical methods on 1st October, 2017.
- A workshop on Time Series and Financial Modelling on 1st March, 2018.
- Workshop on “Number Theory and its Applications” during 19-20 March, 2018 supported by UGC –SAP DSA-I.
- A workshop on Contributions, challenges and opportunities of clinical statistics in pharmaceutical drug development, on 5th April, 2018.
- A three week Advanced Instructional School on Differential Equations, during 4-23 June, 2018, funded by NCM, Mumbai.
- Two-day workshop on “Applications of Spatio-Temporal Modelling” at Univ of Hyderabad, during 31 Jan 2019 to 01 Feb 2019.
- “Annual Foundation School -I, sponsored by NCM, Mumbai, from 6th May to 1st June, 2019.
- One day workshop on “Role of Statistics in the era of Data Science” organised on 9th November, 2019.
