About the Programme :

The “**Annual Foundation School - I**” is among five different training programmes supported by “**National Center for Mathematics** – joint center of IIT Bombay and TIFR Mumbai” .

The AFS – I programmes are targeted at first year Ph.D. students from Universities and research Institutions across the country. The programme has 48 lecture sessions (1.5 hrs duration) and as many Tutorial sessions (1 hr duration) over the period of 4 weeks. It will cover extensively topics from **Algebra, Analysis and Topology**.

In this AFS – I at School of Mathematics and Statistics, we have 12 distinguished Speakers (7 Outstation + 5 Local) , 11 Tutors (6 Outstation + 5 Local). The number of participants selected is about 42.

Convenors(s) : Dr. Mohan Chintamani (UoH),
Prof. Shanta Laishram (Indian Statistical Institute, Delhi)
